Assessment outcome following inspection performed at Atabay Pharmaceuticals and Fine Chemicals Inc. located at Gebze in Turkey on 21 - 22 November 2018

Dear Sir/Madam

All proposed corrective and preventative action (CAPA) plans submitted following the GMP inspection performed at the above-mentioned company was reviewed and found to be **in compliance** with "Good Manufacturing Practices for Pharmaceutical Products" (WHO Technical Report Series 986) for the manufacture of non-sterile penicillin finished dosage forms.

Based on the outcome of the inspection performed on 21 – 22 November 2018, we **do recommend** Atabay Pharmaceuticals and Fine Chemicals Inc. in Gebze as a supplier to UNICEF for non-sterile penicillin finished dosage forms.

The company is kindly requested to inform UNICEF should there be any change in their GMP status since this inspection was performed.

Sincerely,

Unine Felix
